Re: Permit to Connect to the Bristol Twp.
Sanitary Sewerage System

Gentlemen:

This is to certify that your Corrugated Box Plant located at State Road in Bristol Township, Pennsylvania may discharge thereto starch, die wash solvents and condensate to the Bristol Township Sanitary Sewerage System.

This will be subject to the conditions set forth in the permit to be issued by the Lower Bucks County Joint Municipal Authority.

Very truly yours,

Paul X. Blattler
Consulting Sanitary Engineer
Lower Bucks County Joint Municipal Authority
